

We use AI for our documentation

Dear patients,

with your consent, we record the conversation. **Nixi AI** writes a draft from it, which your doctor checks.

- The audio recording is deleted automatically after 72 hours.
- The data stays in data centres in the EU and in Switzerland.
- It is voluntary. Without your consent, we document as usual.
- You can withdraw your consent at any time.

Any questions? Please ask us.
